Konzertmarsch

Alfred Böswald

Tassilo III. (* um 741; † um 796) war der letzte bairische Herzog aus dem Geschlecht der Agilolfinger und ein Vetter Karls des Großen. Der Legende nach träumte er unter einer Linde nahe bei Weilheim, dass hier köstliches Quellwasser zu finden sei. Sein Jagdgefährte Wezzo fand jene Quelle und Tassilo nannte sie daraufhin "Wezzofontanum" - das heutige "Wessobrunn".
